Wilton Jones who owns All Around Auto, is trying to divorce his wife if 22 years so he thinks he can run around with my wife of 22 years, now if a person had no respect for the laws of God, Doesn't have enough morals to give ant thought to what he is doing to two families, do you really think he gives a care about you car that your trusting him with? I was taught if you can't keep the big promises in life no others will matter, he is not a man of his word, and I wouldn't trust him with a bicycle tire, but this is just my opinion, but I believe the good folks of Socorro and surrounding area are like me' If you can't trust a person to take care of his family and leave other peoples wives alone, well you sure can't trust him with your automobile.
