Address:

Maysville

Price:

Free

An elderly couple in Maysville is in need of in-home care. We need patient, kind, and dependable individuals to join our family.

Responsibilities include meal prep, cleaning, laundry, and general caretaking.

Shifts available immediately and pay is great! A variety of days and shifts are available as we need 24/7 coverage.

In-home care experience helpful but not required for the right person, and previous experience with dementia patients a plus.
